Dear Dr. Trotter,

On behalf of the City of Vancouver I am writing in support of Langara's Beyond 49 campaign. Beyond 49 is an exciting opportunity to celebrate all that Langara has achieved in its first 49 years, reconnect and recognize Langarans within our organization, and raise funds for student awards and important College initiatives. The campaign will strengthen Langara's ability to help more students find their path to success for another 50 years. We are proud to support your efforts to deliver high quality, affordable, and accessible post-secondary education for all.

Langara is a valued partner for the City of Vancouver, providing enthusiastic student volunteers for programs like *Keep Vancouver Spectacular*, innovative student projects towards our *Healthy City Strategy* and *Greenest City 2020 Plan* through the City Studio initiative, and the more than 160 of our employees who have received education or training from Langara.

We wish you success with Beyond 49 and all your celebration, fundraising, and alumni engagement activities. We hope that many other organizations in our community join with you in supporting the campaign.

Sincerely,

Gregor Robertson
Mayor
